

5.21 BUILDING ADDRESS IDENTIFICATION. All residences and businesses within the boundaries of the Village of Biron will comply with the following in order to assist first responders in building identification for the purpose of responding effectively:

(1) Building numbers shall be located in a prominent location, preferably near the primary entrance, and must be readable from the street at all times.

(2) The color of all building numbers must visually contrast with the color of the building.

(3) All building numbers shall be Arabic numerals only.

(4) All building numbers shall be not less than four (4) inches nor more than ten (10) inches in height.
