

5.6 CONTROL AND CARE OF APPARATUS

5.6.1 The Chief shall have control of all apparatus used by the Department and shall be accountable for its operable maintenance. If additional funds are needed for repairs, a request shall be made to the appropriate committee or to the Village Board. All purchases, emergency or non-emergency, must be made in compliance with Village policies and procedures.

5.6.2 No apparatus shall be used for any purpose except for firefighting that is within the Village limits or in training therefor, except pursuant to contracts and mutual aid agreements approved by the Village Board. The Chief may authorize the use of apparatus for civic purposes.
